

4.2.2 Subscription for e- Library resources

HBNI has entered into an MoU with INFLIBNET, and accordingly Shodhganga, Shodhsindu and related services are available free of charge to HBNI.

The Libraries in CIs/OCC of HBNI have regular subscription for e – journals, e-books and databases. Details of such resources are available in the websites of the respective libraries, given below.

A screenshot of the website of **Science Direct**, indicating subscription of Scientific Information resources Division (SIRD) of BARC is shown below:

The screenshot displays the ScienceDirect website interface. At the top, there is a navigation bar with the ScienceDirect logo, 'Journals & Books' link, and 'Register' and 'Sign in' buttons. Below the navigation bar, a search bar contains the text 'Journal or book title: Journal of nuclear materials'. The search results section shows '29,111 results' and a 'Suggested publications' section. One suggested publication is visible, titled 'Collision cascade effects near an edge dislocation dipole in alpha-Fe: induced dislocation mobility and enhanced defect clustering', published in the 'Journal of Nuclear Materials'. The page also includes a 'Refine by' section with filters for years (2020 (534) and 2019 (581)) and a 'Download selected articles' button. The bottom of the page shows the Windows taskbar with the date '25-08-2020' and time '09:29'.
