Dear Dr. Kathleen,  
Hope you are doing well

As you are aware, I received complimentary registration to the AMP 2021 annual meeting and expo (November 16-20, 2021) through the AMP international membership grant 2021. This is to intimate you regarding my registration to the conference. Could you kindly help me with the procedure to submit an abstract to the same?

Also, I wished to know if the conference is virtual this year? and if not, as an Indian citizen will I be allowed to travel to the USA?

Awaiting your reply

Thanks and regards

Greetings, Dr. Shetty.

In regards to the Annual Meeting & Expo in November, I will pass your information to the Meetings Department ([meetings@amp.org](mailto:meetings@amp.org)). They will provide you with instructions for receiving the complimentary registration. That said, please be aware that registration has not yet opened; it will be another few weeks before you are contacted.

To submit an abstract before the May 31<sup>st</sup> deadline, please go to the submission portal provided on the abstracts [website](#).

At this time, AMP is still planning to have an in-person conference this year. Please check with the US embassy later this summer to find out whether you are permitted to travel to the USA in November.

Regards,  
Kathleen
