

Scientific Outreach Activity : Gujarat University

As part of the AKAM celebrations, IPR participated in the Science Exhibition organized by Gujarat University, Ahmedabad as part of the "Vigyan Sarvatra Puujate" Science communication Popularization & its Extension programme supported by Ministry of Science & Technology, Government of India. This exhibition was conducted at the Computer Science Building of Gujarat University during 22-28 Feb, 2022

IPR exhibited 14 working and non-working models, posters as well as distributed resource materials related to plasma and its applications. Over 10,000 students visited the exhibition.
