

The LCTPC structure is divided in three regions with corresponding regional coordinators:

- Americas: **Alain Bellerive**
- Asia: **Shinya Narita**
- Europe: **Jochen Kaminski**

Below you find a table for each region with the member institutes and the collaboration board member from each institute.

Americas

Institute	Collaboration Board Member
Triumf	Madhu Dixit
Carleton University	Alain Bellerive
Victoria University	Dean Karlen
Brookhaven National Laboratory	Alexei Lebedev

Asia

Institute	Collaboration Board Member
Tsinghua University	Zhi Deng
Institute of High Energy Physics, CAS	Huirong Qi
Saha Institute Kolkata	Supratik Mukhopadhyay
Hiroshima University	Tohru Takahashi
Iwate University	Shinya Narita
KEK	Keisuke Fujii
Saga University	Akira Sugiyama
Kogakuin University	Takashi Watanabe
Nagasaki Inst. AS	Ken Oyama

Europe

Institute	Collaboration Board Member
Inter University ULB-VUB
