### CERTIFICATION

HBNI's academic activities are undertaken in the 10 Constituent Institutions (CIs) and an Off-Campus Centre (OCC), which are organizations functioning under the Department of Atomic Energy.

The annual budgets to meet the R&D related activities for each of the CIs/ OCC are provided by the Govt. of India budgets through the DAE as per their mandates and R&D objectives. The budgets and annual expenditure towards purchase of books/ e-books and subscription to journals, e-journals, data bases, library automation form part of their overall budget and expenditure for each of these institutions separately.

The budget heads for these institutions are available as independent heads towards incurring expenditure for the library and related resources. Each of the CIs/ OCC have incurred expenditure as per their institutional needs and plans made. Accordingly, the audited statements under this head are made as per the institutional basis, independently.

Basis the above, the annual expenditure towards the library resources viz., purchase of books, e-books and subscription to journals, e-journals, databases, library automation for the HBNI are taken as combined from the grant-in-aid institutions and a judicious proportion of the expenditure towards and library and related resources as per extent and scope of the academic and related in each of the CIs/ OCC and presented in the data template year wise.

It is certified that under the present academic process in the CIs/ OCC, the figures shown in Metrics 4.2.2 and 4.2.3 represent the best possible formulation of data for the annual expenditure related to library resources.

It is also to be noted that, each of the CIs/ OCC have budget and expenditure as per the mandate of the parent department, which is much more than that given in the expenditure statement of each of CIs/OCC.
