

INDIAN THERMAL ANALYSIS SOCIETY

is happy to bestow

ITAS - NETZSCH Award -2022

on

Dr. A. K. Tyagi

*Director, Chemistry Group,
Bhabha Atomic Research Centre, Mumbai*

for his outstanding contributions to the Thermal Analysis in the field of nanomaterials, functional materials, nuclear materials, metastable materials and hybrid materials. He is an internationally acclaimed Solid-State chemist and has contributed immensely to frontline research areas in Chemistry of Materials.

(Y. K. Bhardwaj)

President, ITAS
