

Establishement of AOWM

01.08.2022

Asia-Oceania Women in Mathematics (AOWM), the continental organization for women in mathematics in Asia and Oceania was established on August 1 2022 by an on line meeting.

There are more than 200 founding members from 17 Asian and Oceanian countries . The CWM ambassadors and their continental meetings played a key role in the creation of AOWM. The preparation process was taken care of by a group led by Motoko Kotani and Kyewon Koh Park.

The AOWM Executive Committee is the following.

President : Sanoli Gun (India)

Vice President : Melissa Tacy (New Zealand)

Vice President : Polly Sy (Philippines)

Secretary: Hyang-Sook Lee (Korea)

Ordinary EC members

Budi Nurani Ruchjana (Indonesia)

Yukari Ito (Japan)

Dongmei Xiao (China)

Bakhyt Alipova (Kazakhstan)

Zohreh Mostaghim (Iran)
