

Accredited with Grade A by NAAC
Accredited with Grade A by KCG

Dr. K. C. Patel Research & Development Centre Endowment Chair Lecture Series 27-29th September 2021 and 04th October 2021

Chair Professor

Prof. Shikha Varma
Professor @ Institute of Physics,
Bhubaneswar

PhD: Condensed Matter Physics,
Syracuse University, Syracuse,
New York, USA.

Theme: *Nanostructures and Sensors*

Area of Expertise

- NanoScience
- Nano-Bio
- Ion-beam applications
- Surface Science

Awards

- Syracuse University Senate, Research Grant 1987
- American Vacuum Society (AVS), Student Prize 1986

Academic Protagonist:

- Chairperson of Accelerator User committee (AUC) of IUAC
- Member Board of Studies of HBNI for Physical Sciences
- Member Editorial Panel in Journal of Physics: Condensed Matter & Frontier Journal
- Joint Secretary-East in Executive Committee Ion Beam Society of India
- Member SERB- PAC (Condensed matter & Material Science), SERB Expert committee (Physical and Mathematical Sciences) Start up, Research Grant and NPDF schemes, DST Expert Committee Women Scientist Scheme-A (WOS-A) Physics & Mathematics

Coordinators:

Dr. Vanarajsinh Solanki
Dr. Kinnari Parekh

Joining link:

27-29th September, 2021

4th October, 2021
