Personal Profile HHU Ambassadors

Prof. Dr. Kishore CS Panigrahi

School of Biological Science, NISER BHUBANESWAR, Odisha 752050 India

[✉ Send Email](#)

Nationality:

German

Stay at HHU:

04/2022 - 09/2022, Institute for Botany (Prof. Petra Bauer)

Research Interest:

My research interest lies in understanding the Light signaling and flowering time control in plants. Along with HHU I have been interested in unravelling the correlation between flowering time and iron homeostasis in a crop plant, vigna radiata, commonly known as mung bean.
