

# INDIAN WOMEN SCIENTISTS' ASSOCIATION

LOOK BACK TO MOVE FORWARD AND SOAR

*Dr. Archana Sharma*

## MEMBER ACHIEVER AWARD 2023

*In recognition of your contributions in the field of High Power Microwave, Flash X-ray, and Industrial Electron Beam Accelerators. Your work has been recognized Internationally along with 74 other women engineers.*

*The Golden Jubilee of IWSA is time to look back at the accomplishments of our members, who have inspired students and colleagues alike with their dedication and expertise. We are pleased to celebrate the successes achieved by our members in various domains of science, technology, engineering, art, and mathematics.*

## BEST WISHES

*Sunita Mahajan*
