Dear Prof. Chaudhuri,

Greetings from ICTS-TIFR!

I would like to thank you for being affiliated over the last six years as an Associate of ICTS-TIFR. We very much appreciate your close involvement with our Condensed matter and Statistical physics group and also your efforts in co-organising various ICTS programs and activities and also a regular participant in many ICTS programs in the areas of biological physics.

I am writing to invite you to continue your association with ICTS-TIFR for three more years until 31 December 2025. The terms remain as before. ICTS will be able to support one economy class travel to and fro your home institution every year for a minimum stay of two weeks. Please note the Government of India travel norms as mentioned in annexure. We will also arrange for your accommodation at our campus guest house, local hospitality and offer you a per diem. I am sure this will deepen the interactions with our Condensed Matter and Statistical Physics group.

I am looking forward to your acceptance of this invitation at your earliest.

Best regards,

Rajesh Gopakumar
