

Homi Bhabha National Institute

An aided institution of the Department of Atomic Energy and
a Deemed-to-be University under section 3 of the UGC Act 1956

Council of Management

Shri K. N. Vyas/Prof. A. K. Mohanty, Secretary DAE & Chairman, AEC	Chairman
Prof. U. Kamachi Mudali, VC/Prof. P. D. Naik, Officiating VC, HBNI	Member
Prof. A. K. Mohanty, Director, BARC	Member
Shri Talleen Kumar, Member (Finance), AEC	Member
Shri Shankar V. Nakhe, Director, RRCAT	Member
Prof. R. A. Badwe, Director, TMC	Member
Prof. Gautam Bhattacharyya, Director, SINP	Member
Prof. V. Ravindran, Director, IMSc	Member
Prof. Mustansir Barma, Professor Emeritus, TIFR Centre for Inter-Disciplinary Sciences, Hyderabad	Member
Prof. Surendra Prasad, Former Director, IIT, Delhi	Member
Shri Rakesh Ranjan, Additional Secretary (TE) Dept. of Higher Education, Min. of Education	Member
Prof. P. D. Naik, Dean, HBNI	Member
Prof. P. Christopher Selvin, Registrar, HBNI	Secretary

Academic Council

Prof. U. Kamachi Mudali, VC/Prof. P. D. Naik, Officiating VC, HBNI	Chairperson
Prof. A. K. Mohanty, Director, BARC	Member
Prof. B. Venkatraman, Director, IGCAR	Member
Prof. R. A. Badwe, Director, TMC	Member
Prof. Sudhakar Panda, Director, NISER	Member
Prof. Karuna Kar Nanda, Director IOP	Member
Shri Shankar V. Nakhe, Director, RRCAT	Member
Dr. Sumit Som, Director, VECC	Member
Prof. Shashank Chaturvedi, Director, IPR	Member
Prof. Gautam Bhattacharyya, Director, SINP	Member
Prof. Pinaki Majumdar, Director, HRI	Member
Prof. V. Ravindran, Director, IMSc	Member
Prof. Indranil Manna, IIT Kharagpur	Member
Prof. J. B. Udgaonkar, IISER Pune	Member
Prof. E. D. Jemmis, IISc, Bangalore	Member
Prof. Shishir Deshpande, Director, ITER- IPR	Member
Prof. Vivekanand Kain, BARC	Member
Prof. P. D. Naik, Dean, HBNI	Member
Prof. R. B. Grover, Convenor, BoS (Applied Systems Analysis)	Member
Prof. S. M. Yusuf, Convenor, BoS (Physical Sciences)	Member
Prof. A. P. Tiwari, Convenor, BoS (Engineering Sciences)	Member
Prof. Prasanna Venkatraman, Convenor, BoS (Life Sciences)	Member
Prof. Meena Mahajan, Convenor, BoS (Mathematical Sciences)	Member
Prof. S. D. Banavali, Convenor, BoS (Medical & Health Sciences)	Member
Prof. S. Kannan, Convenor, BoS (Chemical Sciences)	Member
Prof. Bedangadas Mohanty, Convenor, BoS (Integrated Masters Programme)	Member
Prof. P. Christopher Selvin, Registrar, HBNI	Secretary

Planning & Monitoring Board

Prof. U. Kamachi Mudali/Prof. P. D. Naik, Officiating Vice Chancellor	Chairperson
Prof. A. K. Mohanty, Director, BARC	Member
Prof. P. D. Naik, Dean, HBNI	Member
Prof. R. B. Grover, Professor Emeritus, HBNI	Member
Prof. B. Venkatraman, Director, IGCAR	Member
Prof. S. Chaturvedi, Director, IPR	Member
Prof. G. Bhattacharyya, Director, SINP	Member
Prof. Devang Khakhar, Department of Chemical Engineering, IIT Bombay	Member
Dr. Praveen Chaddah, Former Director, UGC-DAE Consortium for Scientific Research	Member
Prof. S. Ramakrishnan, Director, TIFR	Member
Prof.. P. Christopher Selvin, Registrar, HBNI	Secretary

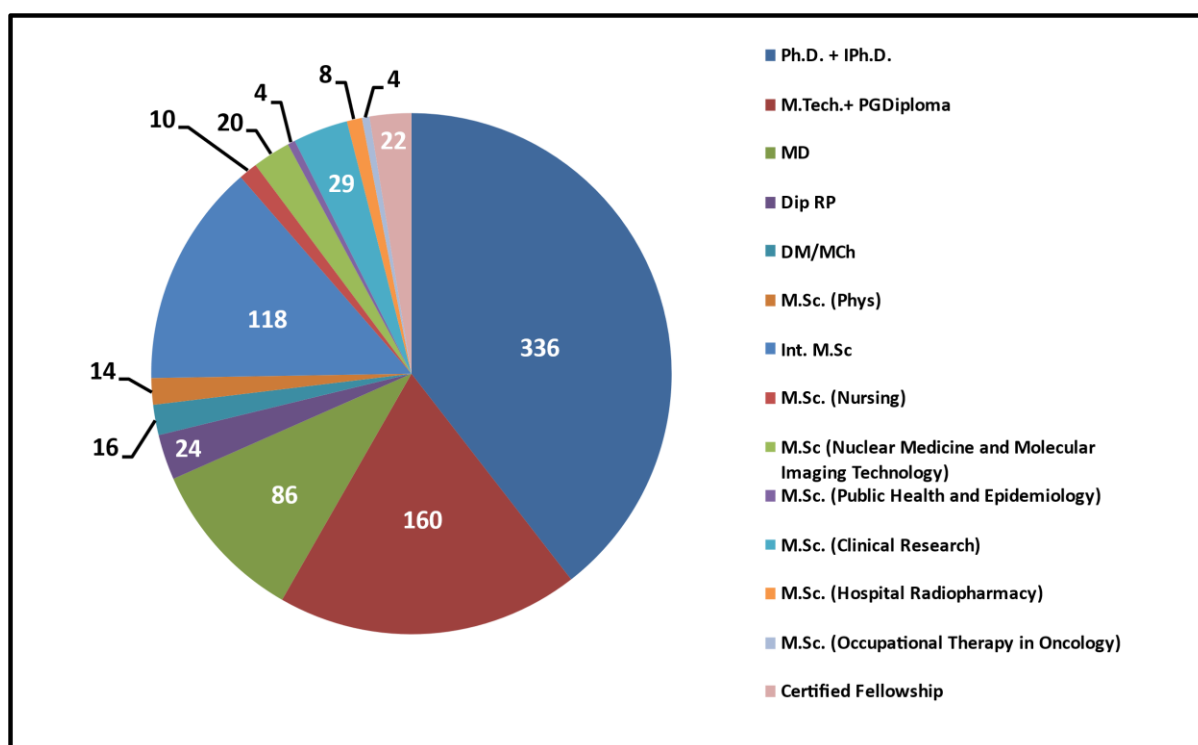

From the Vice Chancellor's Desk

❖ News Updates

- Prof. U. Kamachi Mudali has assumed the charge of Vice Chancellor, Homi Bhabha National Institute (HBNI), Mumbai in the forenoon of May 11, 2023.

Prof. P. D. Naik, Officiating VC and Dean HBNI handing over charge to Prof. U. Kamachi Mudali on May 11, 2023

- HBNI conducted a faculty induction program in hybrid mode on June 14, 2023 for the benefit of newly inducted faculty members to brief them about the structure of academic processes and ordinances of HBNI. A total of forty-two new faculty members from different CIs/OCC of HBNI attended the program.

❖ Events at the HBNI Central Office

• Republic Day Celebration

The 74th Republic Day was celebrated at HBNI on January 26, 2022. Prof. P.D. Naik, Officiating Vice Chancellor and Dean, HBNI unfurled the National Flag followed by singing of National Anthem by HBNI functionaries and staff members present on the occasion. Prof. Naik then addressed the gathering of the HBNI functionaries and staff members. In his address, he gave a brief account of the recent achievements of the HBNI, new academic programmes started, outreach activities and value-added courses conducted on NPTEL platform. This was followed by soulful performances of patriotic songs and poems by staff and students of HBNI. It was a momentous occasion with the spirit of patriotism at the centre of it all.

Prof. P. D. Naik, Dean HBNI saluting the National Flag after unfurling it

- **International Women’s Day Celebration**

The Women Cell of HBNI organized International Women’s Day on March 21, 2023 at the central office by organizing a webinar titled “Reflections of a Nuclear Reactor Scientist,” by Prof. Umasankari Kannan, Head, Reactor Physics Design Division, BARC, and Senior Professor, HBNI. The webinar was organized in hybrid mode and attended by a large number of students, staff members and faculty of HBNI. In her talk, Prof. Kannan first talked about the challenges and barriers faced by women in the field of science and technology and how to address these. She then gave the glimpses of her professional journey as a physicist in BARC, dwelling upon the challenges and hurdles faced and how she overcame them all to build a successful career as a nuclear reactor scientist. The talk was followed by a cultural program by HBNI students showcasing the rich cultural heritage of India through dance and music.

- **Theme/Interaction Meetings conducted by HBNI**

(a) HBNI Interaction Meeting on Chemical Sciences at NISER Bhubaneswar

The first HBNI interaction meeting on Chemical Sciences was organized by the School of Chemical Sciences, NISER, Bhubaneswar during 18-20th January 2023 in hybrid mode. The three-day meeting had lectures by expert faculties invited from different CIs of the HBNI, viz., BARC, IGCAR, SINP and Off-Campus Centre (OCC), NISER. The talks covered nearly all research areas in Chemical Sciences, including Inorganic Chemistry, Organic Chemistry, Bioinorganic Chemistry, Nuclear Chemistry, Materials Chemistry, Photochemistry, Environmental & Analytical Chemistry, etc. In addition, there were about 50 posters presented by young research scholars on the topic of their research in Chemical Sciences.

Participants of the interaction meeting on Chemical Sciences held at NISER

(b) HBNI Theme Meeting on Life Sciences at SINP

The second Theme meeting on Life Sciences was organized by SINP, Kolkata, during February 16-17, 2023 in hybrid mode. The meeting was attended by faculty members and research scholars from BARC, ACTREC, IMSc, NISER, RRCAT and SINP along with the distinguished members from HBNI central office.

Prof. Gautam Bhattacharyya, Director, SINP welcomed the participants and emphasized the significance of such meetings to develop a common goal for the thematically connected topics in a time-bound manner. Prof. P. D. Naik, Vice-Chancellor (Officiating) and Dean, HBNI, pointed out the importance of collaborative efforts to take up challenging research projects. Prof. Naik and Prof. D. K. Maity, Associated Dean of HBNI, mentioned the usefulness of such discussion meetings for Ph.D. scholars as they get opportunities to interact and share their research findings with scholars and faculty members from other CIs/OCC of HBNI.

During scientific sessions over two days, twelve faculty members from different CIs and OCC of HBNI delivered talks and twenty-eight Ph.D. scholars presented posters on diverse topics including disease biology, stress biology, metabolomics, wastewater treatment, agriculture, and theoretical biology. In a special session on Intellectual Property Rights, Prof. Prabuddha Ganguli, Honorary Professor of HBNI, delivered a very insightful lecture on “IPR-related strategic R&D for monetisation.” Prof. Ganguli pointed out the importance of patent literature containing advanced information on diverse research fields.

In the concluding session, Prof. D. K. Maity mentioned about the excellent performance of the life sciences Ph.D. scholars with good overall publication records. It was noted that as a consequence of the two discussion meetings on Life Sciences held so far, several collaborations among faculty members of different CIs/OCC are evolving.

Prof. Gautam Bhattacharyya, Director, SINP welcoming the gathering

Prof. Prabuddha Ganguli delivering lecture on IPR

Poster Session in progress

- **National Technology Day**

National Technology Day is held every year on 11th May to celebrate the achievements & contributions of scientists. The day was established by then Prime Minister Atal Bihari Vajpayee, in honor of the tenth anniversary of the Pokhran Nuclear Test on May 11, 1999.

HBNI celebrated National Technology Day on May 11, 2023 in hybrid mode. Shri D. K. Shukla, Chairman, Atomic Energy Regulatory Board (AERB) was the Chief Guest on the occasion and gave a talk on the topic “Nuclear Regulation in India: Evolution to Maturity”.

The program began by Prof. P. C. Selvin, Registrar, HBNI welcoming the gathering. In his introductory remarks, Prof. P. D. Naik, Dean, HBNI emphasized on the importance of converting high impact knowledge to technology and how HBNI is taking efforts to facilitate knowledge sharing among its CIs/OCC. Prof. U. Kamachi Mudali, VC, HBNI talked about the model of circular economy in which products are designed for durability, reuse and recyclability, and materials for new products come from old products. He also talked about adopting circular economy principles and practices for India's nuclear power plants for the maximum use and indicated how safety regulations will play an important role in it.

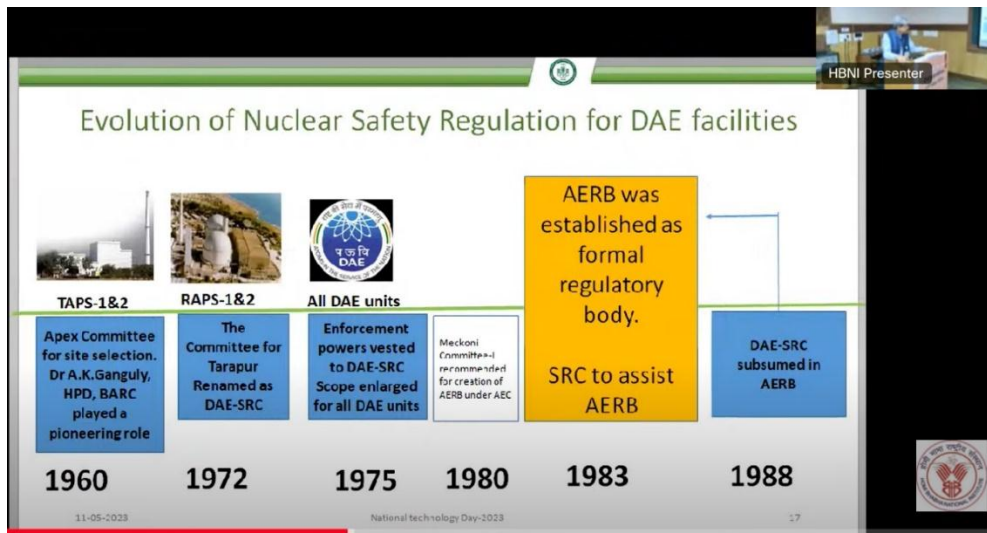

Prof. Kamachi Mudali, VC, HBNI welcoming Shri D. K. Shukla, Chief Guest on the occasion of National Technology Day celebration at HBNI

Prof. P. D. Naik, Dean HBNI welcoming the gathering (left) and Prof. Kamachi Mudali VC, HBNI addressing the gathering on the occasion of National Technology Day celebration at HBNI

In his talk, Shri D. K. Shukla gave a detailed account how since its inception in 1983 AERB has grown into an effective and vibrant regulatory body of international repute and procedures followed by AERB for the purpose of safety review and surveillance of the nuclear facilities including Nuclear Power Plants and fuel cycle facilities and non-DAE facilities. He concluded his talk by stating that AERB is completely geared up to face the future regulatory challenges for regulating diverse design nuclear power plants and wide spread applications of radiation.

Shri D. K. Shukla delivering his talk on the occasion of National Technology Day celebration at HBNI

- **Prof. Srikumar Banerjee Memorial Programme**

A second memorial programme in honour of Prof. Srikumar Banerjee, Former Chancellor, HBNI who was a great metallurgical scientist, academician par excellence, outstanding mentor and an institution builder was organised on May 19, 2023 by HBNI. Prof. G. K. Dey, Former Director, Materials Group, BARC was the chief guest on the occasion. He gave an interesting and informative talk on the topic, “Role of Basic Research in Development of Materials,” where in he elaborated about the role of basic research in alloy development and product making, understanding the unresolved structure of very common materials, and manufacturing process development.

Prof. Kamachi Mudali, VC, HBNI welcoming Prof. G. K. Dey, Chief Guest on the occasion of Prof. Srikumar Banerjee memorial programme at HBNI

Prof. Kamachi Mudali, VC, HBNI addressing the gathering

Prof. G. K. Dey delivering his talk on the occasion of Prof. Srikumar Banerjee memorial programme at HBNI

Eighteenth Foundation Day Celebration of HBNI

The 18th Foundation Day of the Homi Bhabha National Institute (HBNI) was celebrated in hybrid mode at the DAE Convention Centre in Anushaktinagar, Mumbai on June 3, 2023. Prof. Subhasis Chaudhary, Director, Indian Institute of Technology (IIT), Bombay was the chief guest on the occasion. Dr. Ajit Sapre, Group President, Reliance Technology Group, Reliance Industries Pvt. Ltd., Mumbai was invited to deliver Prof. J. B. Joshi Research Foundation Endowment Lecture. Prof. A. K. Mohanty, Secretary DAE and Chairman, Council of Management, HBNI presided over the function. Prof. Anil Kakodkar, Chancellor, HBNI, Prof. Vasudeva Rao, Former Vice Chancellor, HBNI, Directors and Functionaries of HBNI at various CIs/OCC and Central Office, and a large number of faculty, alumni and students of HBNI participated in function, in both online and offline mode. Outstanding students of the institute in various academic programmes and students selected for J B Joshi Research Foundation Innovation awards for the year 2022 were also honoured on the occasion.

The event began with the welcome address by Prof. P. D. Naik, Dean, HBNI and Prof. Kamachi Mudali, Vice chancellor, HBNI presented the annual report of HBNI for the period 2022-23. He gave a comprehensive overview of the progress of HBNI in various domains and informed

the gathering about the new academic programmes of HBNI, value added courses and high value webinars and other events conducted by HBNI in the past year.

Dignitaries on the dais during HBNI Foundation Day Celebration on June 3, 2023

Prof. P. D. Naik (left), Prof. Kamachi Mudali (center) and Prof. A. K. Mohanty (right) addressing the gathering on the occasion of HBNI Foundation Day

Prof. A. K. Mohanty began his presidential address by congratulating all the award winners and degree holders and remarked that he is very certain that the educational journey of the students with HBNI has given them the skill and knowledge to fulfil the societal needs, innovative research, and entrepreneurship. He said that HBNI is a confluence of different centres of excellence which have their own academic freedom but at the same time are bound together with a common cause of creating excellence in the field of nuclear science and technology. He expressed his happiness to know about the high quality of research work being carried out at CIs/OCC of HBNI which has led to not only a steady rise in high quality publications in peer reviewed international journals but also in translational research by translating the latest research into new technologies. He also released two books titled,

“Nuclear Reactor Thermal Hydraulics” edited by A. K. Nayak, G. Vaidyanathan, K. Velusamy, A.K. Dureja, Naveen Kumar, A.M. Vaidya, Mukesh Dhiman and A. J. Gaikwad and “Nuclear Fuel Cycle” edited by B. S. Tomar, P. R. Vasudeva Rao, S. B. Roy, Jose P. Panakkal, Kanwar Raj, A. N. Nandakumar.

A book titled, “Nuclear Reactor Thermal Hydraulics,” being released by Prof. A.K. Mohanty, Secretary, DAE and Chairman, Council of Management, HBNI

Prof. Subhasis Chaudhary distributed the degree certificates and also presented the awards to outstanding students of Ph.D., M.Tech, M.D., D.M. and M.Ch programmes. He congratulated the award winners and students who received their degrees on the occasion and shared his nuggets of wisdom with them. He remarked that today’s Indian youth is highly aspirational and it is the responsibility of people who are a part of education sector to create educational institutes which not only provide quality education but also empower them with the skills which not only help them prosper but also ensures growth and prosperity of the nation.

Prof. Subhasis Chaudhary delivering his address on the occasion of HBNI Foundation Day

Outstanding Student Award winners receiving their awards from Prof. Subhasis Chaudhary

Followed by this, Dr. Ajit Sapre presented the J B Joshi Research Foundation Innovation awards and delivered an inspiring and thought-provoking lecture titled, “Climate Change, Sustainability, and Energy transition: One perspective.” He said that Global energy demand is expected to rise about 25% by 2040, mainly driven by developing countries, and thus there is

a greater need of clean energy sources that can take care of the rising energy demand as well as emit less/zero CO₂ emissions in the atmosphere. He also elaborated on the technologies which are being implemented and being developed by Reliance Industries (RIL) to help meet RIL's net zero goals. These technologies include advances in the areas of biofuels, chemicals, synthetic biology, advanced materials, novel catalysts, and reactors.

J B Joshi Research Foundation Innovation Awardees receiving their awards from Dr. Ajit Sapre

Dr. Ajit Sapre delivering the talk

Prof. Selvin proposing vote of thanks

Glimpses of the cultural program presented by HBNI students, staff, and faculty members

Prof. Christopher Selvin, Registrar proposed the vote of the thanks which was followed by national anthem. The Foundation Day celebration concluded with a colourful cultural programme presented by enthusiastic HBNI students, staff, and faculty members.

International Yoga Day

International Yoga Day is observed every year on June 21 to raise awareness about this ancient practice and to celebrate the physical and spiritual prowess that yoga has brought to the world. HBNI celebrated 9th International Yoga Day on June 21, 2023. with great enthusiasm. It was attended by functionaries, staff members of HBNI and Human Resource Development Division (HRDD), BARC, as well as Trainee Scientific Officers, Training School, BARC and students of HBNI.

The event began with Smt. Bharati Suvarna, Administrative Officer-III, HBNI welcoming the guest of honors, Dr. Vijay Kumar, Shri P. K. Pillai, and Smt. Bindu Jayprakash, eminent yoga instructors from Yoga Circle, BARC Staff Club, Anushaktinagar and the gathering. Prof. A. K. Dureja, Head, HRDD and Associate Dean, HBNI then addressed the gathering and gave a brief introduction about the Yoga Day and the importance of incorporating yoga into daily life.

Warm up exercises were taken and all the participants practiced and performed sitting and standing asanas and pranayama. importance of these were explained simultaneously by yoga instructors. The yoga instructors also provided detailed explanations of each pose and offered guidance on precautions to be taken. The session lasted for over an hour witnessing active participation and engagement from all the participants.

The celebration concluded with a vote of thanks by Prof. P. C. Selvin, Registrar, HBNI.

VC, HBNI with the participants present on the occasion of International Yoga Day celebration at HBNI

Yoga session in progress during International Yoga Day celebration at HBNI

Courses conducted by HBNI

During the period January 2023-June 2023, two online courses were organized by HBNI. The details about the courses are given below:

Online course on Research Methodology, Research and Publication Ethics for HBNI Students

As per University Grants Commission guidelines applicable from December 2019, two credit Course for awareness about publication ethics and publication misconducts entitled “Research and Publication Ethics” (RPE) is mandatory for all Ph.D. students for pre-registration course work. Accordingly, a 40-lecture course on Research Methodology, encompassing the RPE course, was conducted in all CIs/OCC of HBNI during January-March 2023. The course had three modules, namely, (i) Module A: Research design and methods (15 lectures), (ii) Module B: Research and Publication ethics (10 lectures) and (iii) Module C: Computational and experimental methods (minimum 15 lectures). Lectures on Module A and B were conducted by HBNI Central Office, while Module C was conducted by CIs/OCC. The lectures on Module A and B were delivered by Prof. B. S. Tomar, Prof. Prabuddha Ganguli, Prof. B. K. Nayak (Module A), and Prof. V. Siruguri (Module B). The course was attended by 389 Ph.D. students from different CIs/OCC of HBNI and was well received.

Online Course on “Advanced NMR Spectroscopy”

An online interactive course on “Advanced NMR Spectroscopy” is being conducted by HBNI presently. The course is formulated into Part-I and Part-II. The Part-I of the course was conducted during January to May 2023. The course is coordinated by Prof. Haridas Pal, Associate Dean HBNI and Raja Ramanna Fellow. The course was formally inaugurated by Padma Shri Prof. R. V. Hosur, Former Director, Centre for Excellence in Basic Sciences (CEBS), Mumbai, on January 23, 2023. In his inaugural address, Prof. Hosur gave an overview of NMR spectroscopy and its applications.

Screenshot of the inaugural function of Advanced NMR Spectroscopy Course

The major topics covered in the Part-I of the “Advanced NMR Spectroscopy” course included basic understanding of NMR spectroscopy and NMR instrumentation, heteronuclear NMR, multi-dimensional NMR, NMR for chiral and spin decoupled systems, NMR for diffusive systems, and solving of molecular structures using NMR. Research scholars and scientists from a variety of academic institutes and industrial establishments across the country participated in the Part-I of the course and got the benefit thereof. The Part-II of the course which will cover the advanced aspects of NMR spectroscopy will be conducted during July to September 2023.

NPTEL Courses by HBNI

Course on Nuclear and Radiochemistry

The NPTEL course on Nuclear and Radiochemistry has been curated by Prof. B. S. Tomar, Former Institution Chair Professor, HBNI and aims to benefit M.Sc. and Ph.D. students in the subject area. The course deals with the study of nuclear properties of elements using chemistry as a tool. The topics covered in the course include the fundamentals of radioactivity, nuclear decay, nuclear structure and stability, nuclear models, nuclear reactions including fission, radiochemical practices and chemistry of actinides. **A total of 767** learners enrolled for the course and benefitted from it.

❖ **Events at the Constituent Institutions (CIs)/Off-Campus Centre (OCC)**

• **Diamond Jubilee Celebration of Institute of Mathematical Sciences - IMSc 60**

The Institute of Mathematical Sciences (IMSc) a constituent institution of HBNI, is celebrating its 60th foundation year in 2022-2023. To commemorate this momentous occasion, a virtual event, “IMSc 60 celebration” was organized by IMSc. during Jan 2-5, 2023 with an aim to celebrate all areas of science and bring together the scientific community encompassing scientists, nation-builders, policy-makers and research scholars not only to honor and recognize remarkable scientific contributions from the past but also to strengthen India’s scientific vision for the next decade and help India lead the global research landscape. The event was inaugurated by Prof. V Ravindran, Director of the Institute, on January 2, 2023. The four day event included lectures by eminent scientists on wide variety of topics encompassing mathematics, theoretical physics, theoretical computer science and computational biology, conferences and academic events across all research groups. A poster session, release of special stamp to commemorate IMSc60, release of special volumes of the Tamil Nadu Science Forum (TNSF) science outreach magazines, “Thulir” and “Jantar Mantar” featuring the contributions of IMSc members over the years, panel discussions and a cultural dance event were also part of the celebrations.

• **National Science Day Celebrations at RRCAT**

RRCAT celebrated the National Science Day on 25th and 26th February by holding an open house for the school and college students, teachers, family members and guests of RRCAT staff and invitees from public. The theme of this year’s National Science Day was “Global Science for Global Wellbeing”.

National Science Day-2023 celebration at RRCAT

- **International Women’s Day Celebration at IGCAR**

IGCAR organized a week-long celebration on the occasion of the International Women’s Day from March 1-8, 2023. Several special lectures by women speakers and various competitions for women employees of IGCAR were organized as a part of celebration. Smt. M. Leela Meenatchi, IIS Joint Director, NSD, RNU, Chennai delivered a special address on “Who is Preventing Us from being a Leader?” on March 3, 2023. Ms. Renu Maheshwari, SEBI Registered Investment Advisor and Co-founder, Finscholarz Wealth Managers delivered a special lecture on the topic, “Know Your Money,” on March 6, 2023. Miss Blossom Rodriguez, the founding member of Mehetva school for special children and Miss Chitra Swaminathan, Mehetva member were honored and girl students from nearby schools who excelled in studies, sports and cultural activities were also felicitated. All the employees of IGCR actively participated in the event.

- **IPR-LDCE National Technology Day 2023**

IPR, in association with L D College of Engineering, Ahmedabad conducted a 2-day program to celebrate the National Technology Day 2023 (NTD 2023) at the LDCE campus at Ahmedabad during 18-19 May, 2023. This is the second year in succession that IPR and LDCE are jointly conducting this state level programme. The guests of the event were Shri Nilesh M. Desai (Director SACISRO), and Dr. Shashank Chaturvedi (Director IPR). The NTD2023 showcased several competitive events such as Quiz, Skit, Elocution, Code and Circuit Debugging, Technical Models and Drafting Dynamics. Student participants from engineering colleges across Gujarat also exhibited their scientific projects at the event.

❖ **Scientific Outreach Activities conducted by CIs/OCC**

● **Scientific Outreach Activities conducted by IPR**

During the period January 2023 to May 2023, IPR organized several outreach activities for students of various schools and colleges all over India with a main objective to create awareness about plasma and its applications among the students.

- (a) In the month of February 2023, the Outreach Cell of Centre of Plasma Physics-Institute for Plasma Research (CPP-IPR) conducted two “Seminar-cum-Workshop on Plasma Physics”. The main objective of these programmes was to sensitize the college students of North Eastern region of India about plasma physics. The first programme was held

at Jagiroad College, Jagiroad, Assam on February 2, 2023 and was attended by 43 students from Jagiroad college and 11 students from Dimoria College, Khetri, Assam. The second programme was conducted at Anandaram Dhekial Phookan College, Nagaon, Assam on February 17, 2023 and was attended by more than 250 students of the college.

- **Scientific Outreach Activities conducted by NISER**

(i) The Khordha District Administration, Tata Memorial Center, and NISER co-hosted a **Cancer Awareness Programme** on February 4, 2023, at the Pathani Samanta Auditorium, NISER. Around 700 students from universities, colleges, and high schools participated in the programme.

(ii) NISER hosted the **First P. K. Parija Lecture in Life Sciences** on March 24, 2023, thanks to a generous endowment fund from the Prof. Pran Krushna Parija Charitable Trust (Odisha). Professor K. Vijay Raghavan, a DAE Homi Bhabha Chair Professor at National Centre for Biological Sciences, Bengaluru, delivered the lecture titled ‘The Brain in Development, Health and Illness.’”

❖ **Awards and Academic Honors received by HBNI Faculty**

1. Prof. Archana Sharma, BARC, has been elected as Governing Council member of INAE for the period 2023-24. She has also got recognition as “Torch Bearer of Indian Women in STEM” by IW3D Printing Organization and by Indian National Academy of Engineering (INAE)-Vigyan Prasar. Her name features in the book Women Engineers of India-Vol.1, 2023.
2. Prof. J. Mohanty, BARC, has received IUPAC 2023 Distinguished Award for Women in Chemistry.
3. Prof. Awadesh Kumar, BARC has been elected as a fellow of National Academy of Sciences (NASI).
4. Dr. Dimple Dutta, BARC has been elected as a member of Royal Society of Chemistry, UK.
5. Dr. J. Mohanty, BARC has been selected for the prestigious IUPAC Distinguished Woman award in Chemistry for the year 2023.
6. Dr. Sugam Kumar, BARC, has been selected as an Associate of Indian Academy of Sciences (IASc), and Member of The National Academy of Sciences, India in 2022. He has also been awarded DAE-SSPS Young Achiever Award-2022.
7. Dr. Sharmistha Dutta Choudhury, BARC, has been elected as a member of Maharashtra Academy of Sciences.
8. Dr. Veerendra K. Sharma, BARC, received Indian Physics Association-Buti Foundation Award 2022.
9. Dr. K. R. S. Chandrakumar, BARC, has been awarded CRSI Bronze Medal by Chemical Research Society of India.
10. Prof. V. Sudarsan, BARC, has been awarded Society for materials Chemistry (SMC) Silver Medal.
11. Dr. V. G. Gupta and Dr. B. P. Mandal and Dr. Jitendra Bahadur, BARC, have been awarded Society for materials Chemistry (SMC) bronze medal.
12. Prof. S. M. Yusuf, BARC, has been elected as President of Indian Physics Association (IPA).
13. Dr. Kinshuk Dasgupta, BARC has received UDCT Alumni Association (UAA)-ICT Distinguished Alumnus (Research) award, 2022.
14. Dr. John Philip, IGCAR has been appointed as Associate Editor of Hybrid advances of Elsevier Publishers.

15. Prof. Arup Dasgupta, IGCAR, has been elected as a Fellow of IIM for the year 2022. He has also received “The above and beyond appreciation for Editorial Leadership” award from Springer for the year 2022.
16. Dr. B. B. Lahiri, IGCAR has received Young Achiever Award, at the DAE Symposium on Nuclear Physics 2022.
17. Dr. M. Vasudevan, IGCAR has been selected as an Editorial Board Member of Journal, “Engineering Failure Analysis” published by Elsevier Publishers.
18. Dr. Dirtha Sanyal, VECC has been elected as a Fellow of the Royal Society of Chemistry, UK.
19. Dr. Pratap Roy, VECC, has been awarded awarded the IPA "Aswini Kumar Rath Memorial Award” in Nuclear Physics for the year 2022. He has also received Young Achiever Award-2022 at DAE Symposium on Nuclear Physics 2022.
20. Dr. Sangram Bagh, SINP, has been elected as a Fellow of the Royal Society of Chemistry, UK.
21. Dr. Sudip Chakraborty, HRI has been appointed as Editorial Advisory Board member of Energy Advances, a journal of Royal Society of Chemistry (RSC), UK.
22. Dr. Kirtiman Ghosh, IoP, has received prestigious MATRICS (Mathematical Research Impact Centric Support) grant funded by the Science and Engineering Research Board (SERB) for the theoretical research and development of some specific new variants of Extra Dimensional Model.
23. Dr. Shamik Banerjee, IoP, has been awarded the INSA Young Scientist Award 2022.
24. Prof. Bedangadas Mohanty, NISER has been appointed as Deputy Spokesperson of the ALICE experiment at the Large Hadron Collider in CERN starting January 2023 for a period of three years. He has also been appointed as Editorial Board Member, Journal of Superconductivity and Novel Magnetism (Springer), Associate Editor, Frontiers of Physics in Condensed matter physics (Frontiers) and Associate Editor, Frontiers in Nanotechnology in the Section of Nano electronics (Frontiers).
25. Dr. Himansu Sekhar Biswal, NISER, has become an affiliate member of the Royal Society of Chemistry, UK. He also holds the post of Member, Board of Studies, Chemistry, HBNI, Member Project Assessment Committee, DST, Govt. of Odisha, Member, Board of Studies, Chemistry, CET, Odisha, Member, Board of Studies, Chemistry, Berhampur University, Odisha.
26. Dr. Ponneri C. Ravikumar, NISER, has been awarded with CRSI Bronze Medal, 2022. He is also recognized by American Chemical Society (ACS) as Top 3% highly cited ACS Author from India.
27. Dr. Amaresh Jaiswal, NISER, has received Young Achiever Award, at the DAE Symposium on Nuclear Physics 2022.

28. Dr. Palok Aich, NISER, has been elected as Editor-in-Chief, *Microenvironment and Microecology Research*, TMR publishing Group, New Zealand and as Guest Editor, Special issue on Role of Microbial Metabolites in the Regulation of Host Immunity and Metabolism, *Metabolites*, MDPI, Basel, Switzerland.
29. Dr. Asima Bhattacharyya, NISER has been appointed as an Editorial Board Member, *Current Research in Physiology* (Elsevier), Guest Editor, *Frontiers in Microbiology* (Frontiers) and Handling Editor, *Frontiers in Oncology* (Frontiers).
30. Dr. Manjusha Dixit, NISER, has been appointed as Guest Editor, *Journal of Visualized Experiments*, Cambridge.
31. Dr. Debasmita P. Alone, NISER has become a Co-opted Member, *Expert committee in Life Sciences on SRG, NPDF & ECRA* schemes in SERB, New Delhi, India.
32. Dr. Sutanu Roy, NISER, has been selected as a CNRS visiting researcher, *Laboratoire de mathématiques de Besançon*, France.

- **Awards received by HBNI Students**

1. Shri Rajath Alexander, BARC has received Young Scientist in Material Science award by Indian Science Congress Association for his paper titled, “Synthesis of three-dimensional self-assembled carbon nanotube aerogel and its application as a high-performance virus filter,” in January 2023.
2. Shri Amit Kumar Sharma, BARC received Best Poster Award for his poster titled, “Comparative Study of Radiopeptides, ^{177}Lu -DOTA-A9 and ^{177}Lu -DOTA-PEG4-A9 Targeting HER2-receptors in Breast Cancers”, at 1st HBNI interaction meeting in Chemical Sciences, NISER, Bhubaneswar, 18-20 Jan, 2023. He also received Best Poster award given by American Chemical Society (ACS) for his poster titled, “Electrochemical and Spectroscopic Investigation of HER2-Targeting Peptide”, in the Conference on Electrochemistry for Industry, Health and Environment, Mumbai, 7 – 11 Feb, 2023.
3. Ms. Debarati Das, BARC received Best Poster Award for her poster titled, ‘Defect and valence engineering in CeO₂ through aliovalent ion doping for enhanced activity towards ORR catalysis”, in the Conference on Electrochemistry for Industry, Health and Environment, Mumbai, 7–11 February, 2023.
4. Ms. Sudipa Manna, BARC received Best Poster Award for her poster titled, “BiVO₄ and 3D Graphene Nano Composite Photoanodes for Improved Photoelectrocatalytic Splitting of Water”, at 1st HBNI interaction meeting in Chemical Sciences, NISER, Bhubaneswar, 18-20 Jan, 2023. She also received ACS Best Oral presentation award for her paper titled, “Catalyst-carbon nanocomposites for enhanced electrochemical & photoelectrochemical water splitting”, in the Conference on Electrochemistry for Industry, Health and Environment, Mumbai, 7–11 February, 2023.
5. Mr. D Satish Kumar, BARC received Best Paper award for his paper titled, “Developing Methodology for Evaluating Design Basis Flood Level (DBFL) for

Coastal Sites of Nuclear Facilities,” at PhD Connect Conclave 2023 Elevator's Pitch - Physical & Numerical Studies.

6. Ms. K. Swetha, BARC received second prize in Best Poster award category for her poster titled, “Groundwater contaminant source identification using simulation optimization technique,” at PhD Connect Conclave 2023 - Smart Technologies.
7. Ms. Swarnima Rawat, Ph.D. (Chem. Sci.), BARC has been selected as one of the winners of Popular Science Stories-Ph.D. category award by AWSAR-DST (Department of Science and Technology) in March 2023.
8. Mr. Krishna Kumar Yadav received Best oral presentation award in National symposium (AMALGAM- 2023) on Recent trends in Metallurgy & Material Science held at IIT Madras during April 22-23, 2023.
9. Shri Surendra Yadav, RRCAT, has received Innovative Students Project Award (ISPA) Best Thesis presentation Award, 2023.
10. Mr. Jaydeep Joshi (ITER-IPR) has been adjudged as the Winner of the Fronius India Best Welding Engineer Competition for the year 2022.
