

7.1.1. Annual gender sensitization action plans

Title of the Programme	Period From	Period to	No. of Participants	
			Female	Male
<p>The Women's Cell of HBNI organized International Women's Day on March 26, 2024 at DAE Convention Centre, Anushaktinagar, Mumbai by organizing special talks and panel discussion keeping in mind the UN theme for the year, "Invest in Women: Accelerate Progress." Prof. Archana Sharma, Distinguished Scientist and Director, BTDG, BARC delivered an inspiring talk on the topic, "Women in Engineering," wherein she highlighted the contributions of women engineers from pre-independence to present times including those from DAE who shattered glass ceilings, defied societal norms, and showcased their brilliance in diverse engineering disciplines. Prof. Vandana Nanal, Senior Professor, Tata Institute of Fundamental Research, Mumbai gave a talk titled, "Career in STEM-Challenges for Women," summarizing various factors which hinder women from entering the STEM workforce and ways to overcome them. The talks were followed by an enlightening panel discussion on the topic, "Women Partnership & Women Leadership," wherein panel lists put forth their viewpoints about the need and measures to be taken for the advancement of women in leadership positions.</p>	26.03.2024	26.03.2024	Online event	Online event
