23 Insurance for Students

HBNI and its Constituent Institutes/Off-Campus Centre (CIs/OCC) are either R&D centres or fully Aided Institute of the Department of Atomic Energy, and hence under strict purview and monitoring of all Government regulations from time to time. Most of the M.Tech. students are also trainee officers in the first year of the program, and employees of the Department of Atomic Energy in the subsequent years, other M.Tech. students are employees of Government Institutes (Defence). Thus all the above students are covered under the Central Government's Group Insurance Scheme. Further, all CIs / OCC are governed either under the Department's Contributory Health Services Scheme or the Government's Central Government Health Scheme. Primary Health Centres, dispensaries and hospitals are established at all the centres for all students of HBNI, which cater to the medical needs of all the students and employees.

Thus all the M.Tech. students are covered by Government Departments Group Insurance Policy, and all other students are adequately taken care of by the Government Department.

(Prof. P.C. Selvin)
