

**29th International Conference on Processing and Fabrication of
Advanced Materials**

Prof. U. Kamachi Mudali, Vice-Chancellor, HBNI, participated as guest of honor in the 29th international conference on ‘Processing and Fabrication of Advanced Materials 2023’, discussing the latest findings on advanced materials and the need for high-end research in the emerging sector, jointly hosted by Indian Institute of Technology Tirupati (IIT-T) and Bengaluru-based National Design and Research Forum.

The conference was held at Tirupati and more than 350 delegates from across the globe were present. The event gave opportunity to deliberation topics such as additive manufacturing, nanomaterial, biomaterials, composites, ceramics, metals and alloys, smart materials, surface engineering, welding and joining, modeling and simulation .
