

AIC π -Hub and Homi Bhabha National Institute (HBNI) join forces to Drive Innovation!

AIC RRCAT PI-HUB FOUNDATION and Homi Bhabha National Institute (HBNI) signed an MoU to promote technology translations and establish a sustainable startup ecosystem. The MoU was signed by Prof. U Kamachi Mudali, Vice-Chancellor, HBNI, and Shri U D Malshe, Chairman, AIC π -Hub. The signing ceremony was witnessed by Prof. A K Tyagi, Dean, HBNI; Dr. Christ P. Paul, Head, AIC π -Hub; Shri Daniel Babu, Head, AIC-Anushakti; and Associate Deans of HBNI.

This agreement aims to facilitate synergy between the incubation ecosystem of AIC π -Hub and the academic and research capabilities of HBNI. The intended outcomes of this collaboration include:

- a) Facilitating joint research endeavors.
- b) Providing support for entrepreneurial ventures incubated at AIC π -Hub through access to HBNI's resources.
- c) Conducting joint skill development programs.
- d) Promoting the exchange of knowledge and expertise.
- e) Supporting the translation of research into applicable technologies.

This formal partnership is strategically designed to impact the innovation landscape and foster mutually beneficial outcomes for both institutions.
